Commentary of county weather forecaster:

- Harvest rain water whenever it rains.
- Do not walk in the open or seek shelter under trees when it is raining in order to avoid being struck by lightning.
- Take advantage of the rainfall and plant food crops and trees as the expected rainfall will lead to improved soil moisture.
- Users are advised that this is a forecast and at times there may be discrepancies between forecast estimates and actual amounts of rainfall received.

Advice to farmers from Ministry of Agriculture:

- Consult your agricultural extension officer for advice in line with this forecast.
