BOMET COUNTY: ADVISORIES AND SAFETY MEASURES

Agriculture: Farmers should seek advice from the county Agriculture department on best practice related to this forecast.

Lightning risk: Do not seek shelter under trees during storms.

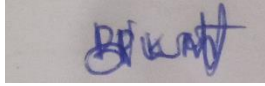

Transport: Most feeder roads are likely to muddy and slippery. Leave for your destinations early to avoid lateness and avoidable inconveniences.

Health: Water pools and pans across the county are likely to encourage mosquito breeding, the residents should therefore sleep under treated mosquito nets.

Key to rainfall areal distribution symbols: *rain is likely to fall in few places (0% to less than 33% of the area), rain is likely to fall in many/several places (33-67%), rain is likely to fall in most places (more than 67%). Light rainfall, less than 5mm; moderate, rainfall 5-20mm ; heavy rainfall, 20-50mm and very heavy rainfall more than 50mm.*
