Key to rainfall distribution symbols:  rain is likely to fall in few places (less than 33%),  rain is likely to fall in many places (33-67%),  rain is likely to fall in most places (more than 67%)

Hazard Symbols

Green – No hazard warnings in force.

Amber - Potentially dangerous weather is expected. **Be prepared.**

Red – Dangerous and potentially life threatening weather conditions are expected. **Take immediate and appropriate action to ensure your safety.**

Commentary of county weather forecaster:

- ✓ **Morning shower** associated with **lightning** and **thunderstorms** over many places likely from **Thursday to Monday**
- ✓ **Afternoon/night showers** associated with **lightning** and **thunderstorms** over many places likely from **Thursday to Monday**
- ✓ Dredging of water tunnels along or around the farms and homes to allow for free flow of surface runoffs
- ✓ Di-silting of pans and dams
- ✓ Clearing of sediment deposits in the culverts and bridges to avoid flooding caused by streams and rivers
- ✓ Installation of lightning arresters to take care of lives and property loss

Advice to farmers from Ministry of Agriculture

- Land preparation in readiness for the long rainy season
- Planting to continue
- Planting of vegetables
- Spraying of animals against pests
- ✚ Consult with your ward crops, livestock and veterinary officer when/wherever necessary
- Report anything unusual to the agriculture or veterinary/livestock experts

Health Advisories (*courtesy of One Health Program*)
