**Colour coding of weather conditions:**

|              |                                                                                                                                                                                     |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Green</b> | No severe weather is expected.                                                                                                                                                      |
| <b>Amber</b> | Severe weather conditions are likely to occur that may pose a threat to life and damage property. Be prepared.                                                                      |
| <b>Red</b>   | Dangerous and potentially life threatening weather conditions are expected. Take appropriate action immediately to ensure your safety and the safety of your family and neighbours. |

**Key for symbols showing spatial rainfall distribution**

Rain likely to fall in few places (&lt;33%)

Rain likely to fall in several places (33-66%)

Rain likely to fall in most places (more than 66%)

| <b>Term</b> | <b>Rainfall Amount (24 hrs.)</b> | <b>Description</b>             |
|-------------|----------------------------------|--------------------------------|
| Light       | < 5 mm                           | Gentle rain, drizzle           |
| Moderate    | 5–20 mm                          | Steady, noticeable rain        |
| Heavy       | 21–50 mm                         | Intense rain, possible thunder |
| Very Heavy  | > 50 mm                          | Prolonged rain                 |

| <b>Term</b>    | <b>Probability of Occurrence</b> | <b>Description</b>                             |
|----------------|----------------------------------|------------------------------------------------|
| Possible       | 10–30%                           | There is low confidence.                       |
| Chance of/ May | 31–50%                           | There is moderate confidence.                  |
| Likely         | 51–75%                           | The event is more probable than not.           |
| Expected       | 76–90%                           | There is high confidence.                      |
| Very Likely    | 91–99%                           | There is very high confidence. Almost certain. |
| Certain        | 100%                             | The event is guaranteed to occur.              |

| <b>Term</b>            | <b>Time Coverage (%)</b> | <b>Meaning</b>                    |
|------------------------|--------------------------|-----------------------------------|
| Occasional             | Less than 25%            | Happens rarely or a few times.    |
| Intermittent           | 25% – 50%                | Starts and stops, comes and goes. |
| Frequent               | 51% – 75%                | Occurs regularly.                 |
| Very Frequent / Common | More than 75%            | Happens almost all the time.      |
