### Commentary of County Weather Forecaster:

The weather outlook for the week of April 5th - 11<sup>th</sup> May 2026, indicates mostly sunny intervals in the morning sessions. The afternoons will have moderate rains covering several places, then reducing to light rains over few places mid week, before recovering to moderate rain over several places later on. The nights will have some light rains over few places towards the end of the forecast period.

#### The forecast details are as follows:

- The morning sessions are expected to have sunny intervals.
- The afternoons will have moderate rains spread over several places on Tuesday, Wednesday, and from Saturday to Monday. The rest of the afternoons will experience light rains confined to few places.
- The nights will have light rains are over few places on Sunday and Monday. The rest of the nights are expected to have partly cloudy conditions. .
- The weather outlook for the week of 11<sup>th</sup> – 17<sup>th</sup> May 2026, indicates that Trans Nzoia County is likely to experience improvement in rainfall amounts.

### Advice to farmers from the Ministry of Agriculture

Consult your local agriculture extension office for advice on how to plan farming activities in light of this forecast.
