**Commentary of County Weather Forecaster:**

The weather outlook for the week of 9th – 16th June 2026, indicates generally a dry spell period. The County shall experience sunny intervals in the morning sessions. The afternoons are expected to have sunny intervals with the exception of one where light rains will be experienced over few places. The nights will have partly cloudy conditions.

**The forecast details are as follows:**

- The morning sessions are expected to have sunny intervals throughout the forecast period.
- The afternoons will have sunny intervals except on Sunday where on light rains confined to few places will be experienced
- The nights will have partly cloudy conditions. .
- The weather outlook for the week of 16th – 22nd June 2026, indicates that Trans Nzoia County is likely to experience an increase in rainfall amounts.

**Advice to farmers from the Ministry of Agriculture**

Consult your local agriculture extension office for advice on how to plan farming activities in light of this forecast.
