VIHIGA COUNTY
WEEKLY WEATHER FORECAST

Date of issue: *Monday 8th June 2026*
Forecast validity: *Tuesday, 9th June 2026 to Monday, 15th June 2026*

General Outlook/Summary.

- The county is expected to experience generally cool mornings, warm afternoons and generally dry conditions during the week.
- Isolated light showers may occur over a few wards during afternoons and evenings, especially in elevated areas.
- Temperatures will remain moderate (*28^{0}C - 31^{0}C daytime, 18^{0}C - 19^{0}C night*) due to persistent cloud cover and cool conditions.

Key Weather Highlights			
S/No	**Sub-County**	**Wards**	**Rainfall activity**

Colour Coding on Weather Conditions		
S/No	Colour	Description
1		No severe weather expected.
2		Severe weather conditions are likely to occur that may pose a threat to life and damage property.
3		Dangerous and potentially life threatening weather conditions are expected. Take appropriate action immediately to ensure your safety and the safety of your family and neighbours.

Advisories by sector.

1) Agriculture

- Farmers are encouraged to engage agricultural and livestock officers on the utilization of this forecast.
- Farmers to continue weeding and top-dressing where crops are established.
- Take advantage of the generally dry afternoons for harvesting and post-harvest drying.
- Livestock should have adequate drinking water during the warmer afternoons.

2) Transport & Infrastructure

- Early morning fog may reduce visibility on roads, especially in valley areas.

3) General Public Safety

- Residents should keep warm during early mornings and nights.
- Water harvesting from any isolated showers is encouraged.
- Outdoor activities are generally favourable throughout the week, though brief afternoon showers may occur in a few locations.
