Commentary of County Weather Forecaster:

The weather outlook for the week of 17th – 23rd June 2025, indicates some slight increase in rainfall activities within the County of Trans Nzoia as compared to the previous one. The morning sessions will be dominated by sunny intervals while most afternoons will experience light rains confined to few places

The forecast details are as follows:

- The morning sessions are expected to experience sunny intervals.
- During the afternoon sessions, light rains spread over few places are expected to occur except on Wednesday and Monday where there shall be an increase to moderate rainfall covering several places.
- The nights are expected to have partly cloudy conditions except on Tuesday where light rains spread over few places are expected to occur.
- The weather outlook for the week of 24th – 30th June 2025, indicates that Trans Nzoia County is likely to experience a slight reduction of rainfall amounts.

Advice to farmers from the Ministry of Agriculture

Consult your local agriculture extension office for advice on how to plan farming activities in light of this forecast.
