**WEEKLY FORECAST**

Period: Tuesday, **24 Jan 2023** to Monday, **30 January, 2023**

Date of Issue: Monday **23 January, 2023**

**SUMMARY**

The first part of the week, we expect sunny intervals and partly cloudy nights. The last days are likely to have clear skies during the days and the nights. Temperatures are likely to range 11°C to 28°C over the highlands, and 18°C to 36°C over the lowlands. To avoid dehydration, due to high temperatures, residents are asked to drink enough water. Furthermore, during the days, residents are requested to stay under shades to avoid the excessive heat. Strong North Easterly winds of up to 54 kilometres per hour are likely to occur over some places within the County. Taveta Sub County is likely to experience very strong winds throughout the week. Detailed forecasts per Sub County appear below.
