<b>Hazards</b>		 Thunderstorm					

Key to rainfall distribution symbols:  rain is likely to fall in few places (less than 33%),  rain is likely to fall in many places (33% -67%),  rain is likely to fall in most places (more than 67%)

**Commentary of County Weather Forecaster:**

The weather outlook for the week of 22<sup>nd</sup> – 28<sup>th</sup> April 2025, indicates some moderate to low rainfall activities within the County of Trans Nzoia

**The forecast details are as follows:**

- The morning sessions are expected to experience sunny intervals.
- During the afternoon sessions, light rains confined to few places will be experienced most of the days except on Wednesday where moderate rains covering several places will be experienced; and on Sunday and Monday which are forecasted to have sunny intervals. The rest of the afternoons are forecasted to have moderate rains covering several places.
- The nights are expected to be have cloudy conditions.

The weather outlook for the week of 29<sup>th</sup> April - 5<sup>th</sup> May 2025, indicates that Trans Nzoia County is likely to experience a slight reduction of rainfall activities over most places.

**Advice to farmers from the Ministry of Agriculture**

Consult your local agriculture extension office for advice on how to plan farming activities in light of this forecast.
