Commentary of County Weather Forecaster:

The weather outlook for the week of 1st – 7th April 2025, indicates a dry spell during the first half of the week, giving way to some rainfall towards the end of the forecast period.

The forecast details are as follows:

- The morning sessions are expected to experience sunny intervals.
- During the afternoon sessions, moderate rainfall covering several places will be experienced on Sunday and Monday. Light rains are expected on Saturday. The rest of the afternoons to experience sunny intervals.
- The nights are expected to be have cloudy conditions.

The weather outlook for the week of 8th – 14th April 2025, indicates that Trans Nzoia County is likely to experience an increase of rainfall over several places.

Advice to farmers from the Ministry of Agriculture

Consult your local agriculture extension office for advice on how to plan farming activities in light of this forecast.
