Commentary of County Weather Forecaster:

The weather outlook for the week of 3rd – 9th June 2025, indicates some moderately low rainfall activities within the County of Trans Nzoia.

The forecast details are as follows:

- The morning sessions are expected to experience sunny intervals.
- During the afternoon sessions, light rains spread over few places are expected to dominate this week, except on Friday where moderate rains spread over several places is likely to be experienced
- The nights are expected to have partly cloudy conditions except from Friday to Sunday where light rains over few places is forecasted.

The weather outlook for the week of 10th – 16th June 2025, indicates that Trans Nzoia County is likely to experience maintenance of similar rainfall patterns.

Advice to farmers from the Ministry of Agriculture

Consult your local agriculture extension office for advice on how to plan farming activities in light of this forecast.
